

Date : 12th June 2015**Time** : 11.00 hrs**Subject** : STEWARDS DECISION NO : 1**Document No:** 2.2

From : The Stewards**To** : The competitor of car No. 90 GIOVANNI BITTI
Crew GIOVANNI BITTI / STEFANO ACHENZA

The Stewards received a full report from the FIA Technical Delegate in relation to the non-conformity of car No. 90 and specifically the non compliant safety cage.

The FIA Technical Delegate's report clearly stated that the homologation certificate presented for car No. 90 was not in fact issued by the ASN, even though it had a CSAI authorisation stamp.
An independent report from the chief scrutineer, Mr. Emanuele Saglia, included a statement from the ASN indicating that the homologation certificate was not authentic.
The car was not authorised to start the rally.

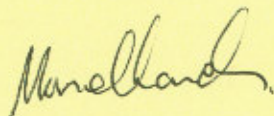

The Stewards summoned and heard the full explanations from the crew Giovanni Bitti / Stefano Achenza, who stated that the car had been hired from a local supplier who had also provided all of the required documentation.

The Stewards in considering the information identified that this was clearly an issue that required further investigation at a national level.

After due deliberation the Stewards

DECIDE

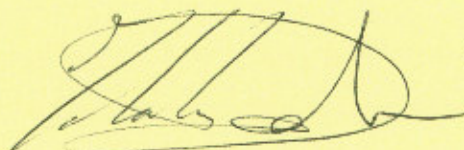

- To take no further action against the competitor
- To require the ASN to carry out further investigation into the matter of false certificates
- The national Steward Mr. Edoardo Delleani to liaise with the ASN.
