# 1. SSS1 "Città di Cagliari" - Clarifications

Further to Supplementary Regulations 12.4 - Procedures before SSS1 "Citta di Cagliari" the following can be notified:

- From when the competitors must be available 15' before SSS starting time, they will be deemed to be under the control of the Organisers and must follow the directions of marshals at all times;
- Between the Waiting Area and the Waiting Start Area, there will be a Tyres Warm Up Area.
- Car will be permitted to perform manoeuvres in here for a limited time, one car at a time to warm tyres and brakes.
- Competitor allocated to start in Lane 1 to enter the Tyres Warm Up area first, Competitor allocated to Lane 2, second.
- Both cars must be finished in the Tyres Warm Up Zone and in the Waiting Start Area before the cars already on the stage start their second lap.

For the first 10 pairs in the starting order that are allocated to the Live TV window, the following applies:

- Any car that is not in position to access the stage as soon as previous heat finishes to allow the 30 second start sequence to allow the stage to start on the allocated minute may be removed to a later heat outside the TV window.
- Any delays or removal of a car will result in a single-car heat, and then resumption of the notified pairs.
